CRITICAL PREREQUISITES

ATTENTION! You *must* have Sandbox access in order to participate in Learning Labs. Access can take **up to four weeks!**

Follow the steps below to ensure you are ready to participate:

- **STEP 1:** Complete the TMS course for Sandbox access (**TMS ID 4686318**). After watching the 10-minute video, the Sandbox team will provision you within four weeks. You will receive an email from the Oracle team (sent from their **VA-Account-Provisioning_US@Oracle.com** email address) once you have been granted access. *If you have already completed this step, skip to Step 2.*
- **STEP 2:** Log in to the Sandbox to confirm your access. View the step-by-step [Sandbox Login Instructions here](#)).

If you have completed the TMS more than four weeks ago AND you are still unable to log in, please email VAEHRMSandbox@va.gov for assistance as soon as possible!
